Helping Seniors Remain Independent and Socially Connected in Their Own Homes

“Caring for People By People Who Care”
Caregiver Volunteers of Central Jersey (CVCJ) is a nonprofit agency founded in 1993. With over 1,000 volunteers, we improve the lives of our community’s vulnerable.

**Our Mission** is to provide vital assistance to the elderly, disabled, veterans and those who care for them, which allows individuals to remain independent in their own homes and live with dignity and joy.

**We Help Those....**
- Living in Northern Ocean and Southern Monmouth County
- 60 years of age or older, or a family caregiver
- No longer driving

Services are offered free of charge by CVCJ volunteers who are thoroughly screened to ensure safety.
