*Please Complete Our Survey!*

To all our volunteers, we need your feedback! Please take a few minutes to complete our online survey at **[www.caregivervolunteers.org/2021survey](http://www.caregivervolunteers.org/2021survey)**, or scan the barcode with your phone.

Your answers will help us structure and inform our programs going forward as well as let us know your communication preferences. Once you fill out the survey you will be entered into a raffle for a prize to be determined later!

Thanks for hanging in with us as we navigate our "new" normal. We appreciate all you do!

## VOLUNTEER SPOTLIGHT

Catarina was looking to fill her time with something meaningful. When she discovered Caregiver Volunteers through her club house in Holiday City Berkeley, she decided to answer the call to volunteer. She was trained in November of 2018 and has taken on over 6 shopping assignments as well as visiting.

Catarina has continued to volunteer with us through the Covid 19 pandemic. She is always pleasant and willing to help with any request we offer her. She even joined the Caregiver staff and other volunteers in a birthday parade to celebrate one of our receivers that turned 100 years old!

Catarina's motivation for volunteering is simple, she just wants to lend a helping hand to those in our community that need it. Thank you to Catarina and to all of our volunteers that help Caregiver Volunteers remain a vital resource in Ocean & Monmouth Counties.
